

A STEP AHEAD AND TOP OF ITS CLASS

You're in the business of education. Your customers are your students, your personnel, and external stakeholders. The products you supply are courses and programmes. Your business processes focus not only on registration, timetabling, examinations, and graduations, but also on financial and human resource management.

ITS INTEGRATOR BENEFITS

- Fully integrated, yet modular.
- Implementation and Support services.
- Self-Service applications for students and personnel.
- Mobile Apps for students.
- 24 x 7 system availability from anywhere.
- 3rd Party System integration.
- Portal deployment with Single Sign-on functionality.
- Dashboards with graphs and charts in all functional areas.
- Logging of data for audit purposes.
- Notes facility throughout the system.
- On-line Help and User Manuals are available from each screen and the Help menu.
- Data export and import available in selected options.
- Detail and summary reports are available in all system modules.
- The Metadata layer assists with MIS and adhoc report generating.
